

FLORAL FLAVORS

Building on four generations of experience in flavor ingredients, Trilogy Essential Ingredients is a go-to flavor supplier whose unique blend of products—coupled with our deep research bench and flavoring expertise—made us a leading food flavoring and extract manufacturer.

As consumers continue to seek healthy food and beverages, floral flavors continue to gain traction. Trilogy Essential Ingredients foresees consumers’ interest in botanical and floral flavors to proceed, particularly popular during spring and summer months. Trilogy offers several fresh and natural floral flavors for your next formulation.
